

Hooray it's time for a GIVEAWAY!

We are asking for job photos for certain products produced by CST and one lucky person will win a Munich Firepit Kit!

This month, we're looking for CST Panorama pavers in any color.

Here are the rules:

1. Like this post and share!
2. Send your best picture featuring CST Panorama to sheree@cstpavers.com.
3. Please indicate on any submittals, YOUR company name & contact info, the CST product, Color, Finish and where the jobsite is located.
4. Entries showing CST products used WITH a competitor's products will not be chosen.
5. Any photos submitted become the property of CST and may be used in future marketing materials; including Ads, our web gallery and future brochures.
6. The homeowners/owners of the property must be agreeable to signing a photo release AND allowing us to send a photographer to the location.
7. All photos submitted will be considered for judging. Having your jobsite be completed and fully planted definitely appear more professional and more eye-catching.
8. Winning photos will be chosen by our Sales team.
9. And that's it!

One lucky winner will be selected on February 25th.

Follow us on Instagram and Facebook and share with your friends as we will be doing giveaways every month in 2020!
